CLERK: Mr. President, on 913 the first item I have are E & R amendments.

PRESIDENT: Senator Johnson.

SENATOR R. JOHNSON: I move for the adoption of the E & R amendments.

PRESIDENT: You heard the motion. All in favor say aye. Opposed no. The motion carried, the amendments are adopted.

CLERK: Mr. President, Senator Fenger would move to amend the bill.

PRESIDENT: Senator Fenger.

SENATOR FENGER: Thank you, Mr. President, colleagues, the amendment offered is technical in nature. The first part corrects a spelling error in drafting the original bill, the second part clarifies the bill's intent as being consistent with federal enabling legislation. The third part is offered on behalf of the Director of Social Services to make the implementation of this bill coordinate with state and federal fiscal year. The last portion clarifies the basis upon which DSS distributes these community action funds. Section 10 will be amended to emphasize the factors listed in the bill are only legislative guidelines, factors to be considered by the Department in distribution of CSBG funds. This amendment will allow the Department more flexibility in their administration of the program. With that I would move adoption of the amendment.
